### THE ATLANTA NEW ERA **PUBLICATION DAY--THURSDAY OF** EACH WEEK.

On or before September 1, 1873, will be issued THE ATLANTA NEW ERA," a large thirty-two column weekly newspaper, published at the capital of Georgia, devoted to Politics, News, Literature, and the best interests of our

news, Literature, and the best interests of our whole country.

In Politics the New Era will maintain the principles of the National Republican Party. It will rally around the banner of a restored Union the intelligent masses of the American people, and battle manfully for the maintenance of the proper rights and privileges of all, at every hazard, without fear or favor.

On the conservation of the true principles of Republicanism depends the welfare of the American people, and the perpetuation of national independence. To the attainment of this great end the New Era will labor, relying for its support upon the honor, the intelligence, and patriotism of American freemen.

The material, social, and intellectual interests of Georgia and the South will receive its earnest and devoted attention, and nothing shall be omitted which can add to the interest and value of its publication, and entitle it to the rank of a first class newspaper.

The New Era will be the only Republican paper in Georgia, and will be the official organ of the United States Government and of the national Republican party of the Union. Its circulation will be large, and its prominent position will at once entitle it to the consideration of merchants and business men in all sections of our common country as one of the best advertising mediums in the South.

### TEE UNDEKGROUND RAILROAD.

A RECORD OF

Facts, Narrating the Hardships, Hair-Breadth Escapes, and Death Struggles of the Slaves in their Efforts for Freedom. BY WILLIAM STILL,

For many years connected with the Anti-Slavery Office in Philadelphia, and Chairman of the Acting Vigilant Committee of the Philadelphia Branch of the Underground Railroad. Illustrated with 70 fine Engravings by Bensell, Schell, and others, and Portraits from Photographs from Life.

From a great number of cordial letters commending the Underground Railroad, the Author selects a few brief extracts only from eminent friends of Freedom who have examined the work.

work.

From Wm. Lloyd Garrison:

I have examined it with a deep and thrilling interest. It is a most important portion of Anti-Slavery history. Its reliableness, moreover, cannot be called in question. It is a book for a same Association. From S. P. Chase, Chief Justice of U. S. Su-

preme Court:
No one probably has had equal opportunities with yourself of listening to the narratives of fugitive slaves. No one will repeat them more truthfully, and no stories can be more fraught with interest than theirs.

From J. M. McKim:

A book so unique in kind, so startling in in terest, and so trustworthy in its statements, cannot fail to command a large reading now, and in generations yet to come. From Hon. Henry Wilson, Vice President:

You have done a good work. This story of the heroic conduct of fugitives of oppression, and of the devotion of their friends, will be read with deep interest, especially by the old friends of the slave in the stern struggle through which we have passed. I hope your labors will be rewarded by a grateful public.

I tis a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

From Hon. Charles Summer:
The Underground Railroad has performed its part, but it must always be remembered gratefully, as one of the peculiar institutions of our country. I cannot think of it without a throbbing heart.
You do well to commemorate those associated with it by service or by benefit—the saviours and the saved.

From Wm. H. Furness, D.D.:

Having read this record of "The UnderGROUND RAILROAD," I can only say that it is a
work of extraordinary interest and of great value
as an illustration of the terrible despotism,
which a little while ago reigned over us all, and
which is now (thank heaven!) no more.

From Gen. O. O. Howard:
You could not prepare a work that would afford more instruction and interest to me than a detailed history of the operations of the so called "Underground Railroad." I am delighted at the examination I have been permitted to give the proof, and think thousands will rise up to call you bleesed for your faithful record of our "legalized crime."

From Hon. Henry C. Carey: Mr. Still's work appears to me to be one of great interest, and I most heartily unite in recommending it to the public attention.
